Foreword

As the last rays of the setting sun merge into dusk on Commencement Day, our high school career belongs to the past. May this Black and Gold serve to keep fresh the memories of those happy years spent at P. H. S. If this end is accomplished the Staff feels that its work has not been in vain.

History of Perrysburg

In 1816 parts of the United States Reservations on the lower Maumee River were surveyed for settlers by Agent Alexander Bourne and Surveyors Joseph Wampler and William Brookfield, including the plat of the present Village of Perrysburg according to Act of Congress that year. The lands were offered for sale in February 1817 by officers of the Land Office at Wooster, Ohio. This village plat was named in honor of Commodore Oliver H. Perry at the suggestion of Josiah Meigs, Commissioner of the General Land Office. Several log houses were built in that year and one frame house was built in the following year by David W. Hawley. Doctor Stewart and J. J. Lovett, bought the river tracts sixty-five and sixty-six, including the site of Fort Meigs and the settlements next to the river.

At the close of the year 1819, the number of Americans in the settlements on the adjacent to the lower Maumee River was estimated to be a little over six hundred.

In 1822 the United States Congress was given the right to all unsold lots and outlots of the town plat of Perrysburg, on condition that the public buildings of Wood County be located there. A special session of the Board at Perrysburg was convened in 1823 for the purpose of attending to the erection and repairs of the public buildings of the County.

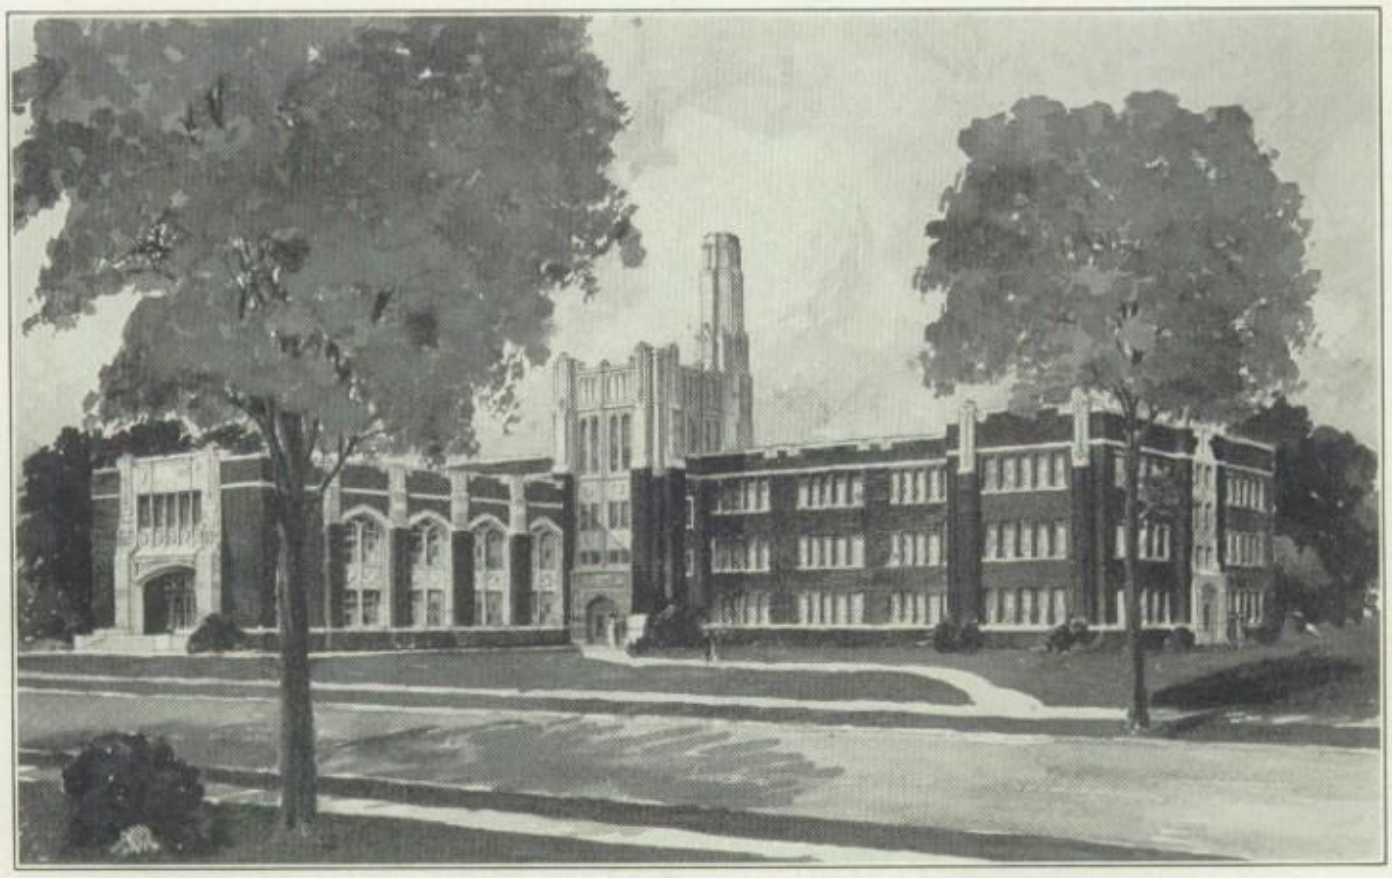
A Court House for Wood County was built at Perrysburg in 1823 for $895.00. This Court House was succeeded in 1843 by one of brick at a cost of $20,000.

Education on the Maumee dates back before the war of 1812. A private school was maintained by the settlers, first at Miami and later at Fort Meigs. A grade school was organized by J. W. Ross in 1846. The first high school was founded in 1849 by A. D. Wright. The high school building at this time was a brick structure, 60x90 feet.

Because of the increase of students entering P. H. S. every year, the building was enlarged in 1868. This building was destroyed by fire in 1894 and the present building was built in 1895 and was enlarged in 1917.

The high school enrollment has increased very rapidly. In the first year of our school, 1849, the students numbered fifty. Today they number about two hundred and ninety-two high school students.

Perrysburg High School was the first school in this section to become a member of the North Central Association of Colleges and Secondary Schools, and her standards are maintained year after year by a very competent faculty. In 1925 we became a member of the National Honor Society of Secondary Schools.



History of the New High School

At the November election, 1929, a bond issue was presented to the voters calling for the issuance of bonds in the principal sum of $225,000.00 for the erection of a new high school building for the school district. The official poll of the votes showed that 796 had voted for the issue, and 402 had voted against the issue.

The Board of Education selected Britsch and Munger of Toledo, Ohio, as Architects to draw plans and specifications for the new building.

The Superintendent of Schools furnished the Architects a schedule of rooms and service spaces to be provided in the new high school. This list included the approximate dimensions and number of each type of room necessary to accommodate about five hundred students.

From drawings of different types of buildings the Board of Education selected the open type of building, shaped like a capital "T." This type of building affords ample light in all rooms and lends itself very nicely to further extension. It is one of the newer style buildings recommended by both school people and architects.

The Board proceeded with the bond legislation, and on May 13, 1930 at 12 o'clock noon, bids for the bonds of the district were opened. The bids having been tabulated, the Board met in regular session the same evening and awarded the bonds to The First Detroit Company, of Detroit, Michigan, upon their bid of 4¾%, par and accrued interest, and a premium of $4501.00.

History of the New High School—*Cont.*

Bids for the construction of the building, electrical work, plumbing and heating, were opened on June 10, 1930 at 12 o'clock noon. After the tabulation of the bids, the Board at its adjourned session from June 10, 1930, held June 17, 1930 rejected all bids, the same not being held advantageous to the school district.

New bids for the construction, electrical work, heating and plumbing were read at 12 o'clock noon, August 12, 1930, tabulated and at the regularly adjourned session of the Board August 15, 1930, the following bidders were awarded contracts:

O. H. Adler Co., General Contract, Toledo, Ohio.
Bryce Heating & Ventilating Co., Heating, Toledo, Ohio.
A. D. Stanford, Plumbing, Perrysburg, Ohio.

At a subsequent meeting, the electrical work was awarded to E. C. Reitz of Bellevue, Ohio.

The Architects are to be complimented upon the construction of a building that meets the requirements of the National Education Association's "Candle of Ratios" in school house planning. After a survey of over two hundred of the better school buildings scattered over the United States, the N. E. A. committee recommended the following in order to eliminate waste in school construction:

Stairs and Corridors—not to take up over 20% of the space.
Administration—not to take up over 16% of the space.
Walls and Partitions—not to take up over 10% of the space.
Flues—not to take up over 3% of the space.
Accessories—not to take up over 1% of the space.
Instruction—to take up not less than 50% of the space.

In our new high school building not over 15% is included in corridors and stairs; 11% in Administration; while 63% is given over to the heading of "Instruction."

The high percentage of space given over for "Instruction Purposes," indicates intelligent planning on the part of the architects.

The exterior of the building presents a fine appearance, when viewed from any angle. The elevation of the building from Fourth, Fifth, Louisiana or Elm street impresses you as that of an "educational institution" and not as that of a factory or just another school house.

The exterior wall is made of variegated face brick and trimmed with silver gray Indiana limestone.

The grounds about the building will be properly landscaped.

As you enter the main or lower entrance, the first door to the right opens into the administration office. The administration suite consists of a general office and two private offices for the principal and superintendent. A large fireproof vault is also included in this suite.

History of the New High School—*Cont.*

Adjoining the office is the Chemistry and Biology laboratory and class-room. This room will be equipped with 12 two-student tables and one long chemistry laboratory desk.

The two-student tables will permit the use of the room for any type of class room work since the students all face the front of the room.

A fumes hood and an electric motor and fan will pull the "evil odors" out of the room and not send them through the building.

A supply room for chemicals and physical apparatus is placed between the Chemistry and Physics departments.

The Physics and General Science room is a large corner room. It will be equipped with tables to accommodate at least thirty-two students at a time. Like the Chemistry and Biology room it can be used for any kind of class room work. Suitable supply cases and an instructor's desk are included in the equipment.

Directly across the corridor from the Physics room is the Manual Training room which is 30′ x 32′ in size. The "finishing room" is close to the manual room.

The other class room on the first floor is the "Music Room" which will be used for individual instruction and an office for the music supervisor.

On the second floor the following school units are located:

The Foods Laboratory, which is a large corner room. This will take care of the Cooking classes as well as furnish space for a steam table and a large gas range for the serving of meals. In this room a fan is installed to draw out the fumes. Next to this room and connected by a roll wall partition is the Sewing room. A folding partition separates the Sewing and the Commercial rooms. Another folding partition separates the Commercial and Typewriting rooms. By the use of the folding partitions the Sewing, Commercial and Typing rooms can be made into one large room about eighty feet long for banquet or cafeteria purposes.

The Sewing and Bookkeeping rooms will be equipped with flat top tables suitable for class room work as well as for dining purposes.

Across the hall from the rooms just described are three class rooms.

On the third floor, are the following rooms: the study hall capable of holding one hundred seats. Separated from the study hall by a glass partition is a room which will be used for a class room and an "overflow" study hall. The glass partition will permit one instructor to control both study halls.

The school library will be located in a room opening from the front of the main study hall. The library consists of a stack room and reading room.

Class History

CHAPTER ONE:

Four years ago, early in September of the year 1927, one hundred and nine green looking specimens were seen to wander through the halls of P. H. S. They were the new Freshman Class.

After a week or two of walking into the wrong class rooms and going to classes late, Mr. Scheld called a Freshman meeting, in the auditorium, where he announced that we were to elect class officers. The result was as follows:

MARGARET GOEKE ..... *President*
JUNIOR RIGGLE ..... *Vice-President*
CATHERINE THORNTON ..... *Secretary*
DONALD SPILKER ..... *Treasurer*
CLARA LOUISE SCHUETZ ..... *Reporter*

The names of several of our class appeared on the Honor Roll throughout the year. We were very proud of this.

After nine months of hard work, the first of our four eventful years came to a close, with everyone looking eagerly forward to the next stage of our high school career.

CHAPTER TWO:

In September of the following year, 1928, we again assembled at dear old P. H. S., but in a more serious and determined manner. Our first duty as

Class History

"Sophies" was to elect our class officers under Mr. Huffman's supervision. The following officers were elected:

CYRIL MUNGER ..... *President*
JAMES ANDERSON ..... *Vice-President*
ELMER BECK ..... *Secretary*
JUNIOR RIGGLE ..... *Treasurer*
ROSS CROM ..... *Reporter*

This year our class membership was reduced to seventy-five. We chose as our class colors, Orchid and Green. The Sweet Pea as our flower. We entertained the high school at a party given in the Spring of 1929.

We ended this successful year by aiding in the arrangement of the Annual Senior Banquet.

CHAPTER THREE:

In September 1929, only fifty-five members of our former class answered to the roll call. This year we were Juniors and Mrs. Milburn was our Sponsor. A meeting was held in the Junior Assembly with the following results:

JAMES ANDERSON ..... *President*
MARGARET GOEKE ..... *Vice-President*
FRANCES BYRNE ..... *Secretary*
CATHERINE THORNTON ..... *Treasurer*
ETHEL BAKER ..... *Reporter*

Greater respect was being shown us now that we were Juniors. Our members took a greater interest in class activities. We gave a Christmas party and supervised and helped to give the Senior Banquet.

Two of our members, Frances Byrne and Magaret Goeke, were elected to the National Honor Society.

When we left school for the summer vacation this time, one thought was predominate: that the next year would be our last and we hoped, most successful year.

CHAPTER FOUR:

The first day of our Senior year had arrived. After the roll call, we found that there were fifty-six members in our class.

The class chose the following officers to lead them in their activities during their last year:

Class History

JAMES ANDERSON ..... *President*
FRANCES BYRNE ..... *Vice-President*
LIDA MAY SUTTER ..... *Secretary*
JOHN FACKLEMAN ..... *Treasurer*
RUTH COEHRS ..... *Reporter*

The Seniors decided to do the customary thing by publishing the "Somethin'." Our class entertained the other classes with a party at the Town Hall on November, the twenty-second.

There were quite a few members of the Senior class who were admitted to the National Honor Society. Margaret Goeke and Frances Byrne were chosen last year and Ethel Baker, Ruth Coehrs, Ross Crom, Fern Hufford, Frances Mandell, Barbara Sattler, and Melvina Kuhlman were chosen just before Christmas vacation.

There were many Seniors who took part in literary and athletic activities throughout the school year. We did our utmost to bring honor to P. H. S.

We chose Orchid and Green as our class colors, the Sweet Pea as our flower. As our class motto we chose "Seize the Opportunity—Carpe Diem."

Under the sponsorship of Mr. Riggle, our Senior year has been successful.

Ode to the Class of Thirty-One

Out of the stage of learning,
Into the stream of life;
With ambition in our hearts a-burning,
We go forward to meet the strife.
As we bid our fond friends adieu,
And our hearts with emotion are afire
When at last our school life is through,
May this be our one desire:
That each member of our class,
This class of Nineteen Thirty-One,
May look back, as the swift years pass,
On noble deeds and work well done.

Class Prophecy

By Avonelle Pyers

As I was walking down one of the smaller streets in a foreign part of New York one day in June, 1931, I saw, among the small dingy signs, one upon which these words were inscribed:

Madame Gustave Haberdinger

Fortune Teller

The place looked so interesting that I entered. As I seated myself before Madame Haberdinger, I asked her if she would be able to tell the fortunes of my classmates. She said that she could and proceeded to do so.

Looking into her crystal she droned in a dull, monotonous voice:

"First, I see your class president, James Anderson. He is representing Ohio in the United States Senate.

"Vivian Schoenberger, who has been married to a movie director, is now filing suit for divorce. She has engaged Stanley Hoffman as her lawyer.

"In a great silver-winged monoplane making its way toward New York, I see John Fackleman as pilot. With him, as his passengers, are Jessie Acklin, Junior Riggle and Dorothy Jane Van Brimer. Jessie and her husband are on their honeymoon. She has just married a wealthy Italian Count. Junior Riggle, is on his way to take a position as professor at Princeton University. Dorothy Jane is one of the successful singers of the Chicago Opera Company.

"Gladys McConaha and Mildred Mandell, as heads of the Woman's Club at Cleveland, have just received as their guests, Lida May Sutter, Frances Byrne, and Ruth Coehrs. Lida May plays with one of the greatest orchestras of the day. Frances Byrne is a teacher of dramatic art at Montreal. Ruth Coehrs has achieved success in the field of architecture.

"Alex Kovach has produced a marvelous speaking voice and is now one of the favorite stars of the talkies. Kenneth Rader is famous as a second Joe E. Brown.

"Margaret Johannsen is keeping a beauty parlor in Toledo. Mary Cupp is matron at the Miami Children's Home.

"John Bench and Frances Hufford have established a home in Denver, Colorado. They often see Robert Frantz who is a tree surgeon and ranger in the Colorado state forests.

"William Wellstead, Elmer Wolf and Dale Spilker are giving weekly programs over the radio under the name of 'The Harmony boys.'

Frances Mandell and Carrie Carpenter are in India. The former is a chemist employed by the British government, and the latter is a missionary.

Class Prophecy

"Ross Crom is manager of the greatest All-American Football Team, while Howard Hillabrand is its coach.

"Catherine Davis, Barbara Sattler and Carolyn Schwind are nurses at Toledo Hospital. Carolyn is head nurse.

"Melvina Kuhlman is famous as a novelist and poet. She has as her secretary, her old friend, Norma Kazmaier.

"Ethel Baker is chief secretary to the President of the United States. Fern Hufford and Ruth Dewland are secretaries to the President of the Baltimore and Ohio Railroad and the Editor of the American Magazine respectively.

"Mary Long is teaching school in Argentina. Hazel Frusher and Azenda Dauer are teaching in the Philippine Islands. Elinor Hilt is teaching in Alaska.

"Gilbert Garber is the WSPD Radio Announcer. Over this station we often hear piano solos by Catherine Thornton. Catherine is now teaching French in P. H. S.

"Robert Caldwell owns a Cafe in San Francisco. Wenonah Chapman, dancer, and Ronny Luebben, crooner, sometimes appear on his programs.

"Ruby Farris and Margaret Goeke are in California. Ruby is spending her time in giving swimming lessons at Long Beach. Margaret is social secretary to the Governor's wife.

"Mildred Tippen and Lucille Thornton are keeping a Flower Shop in Pittsburgh. Mildred Finch has a Pet Shop in the immediate vicinity.

"Joe Buckenberger has made a million on the invention of an electric airplane and has employed Don Spilker as financial advisor.

"Robert Kazmaier has become the Governor of Ohio.

"Kenneth Davis is Art Editor of the Life Magazine.

"Arline Decko is training a group of chorus girls for the films. Irma Weeber is working for the same studio as costume designer.

"William Drain is the Chief Radio Operator on the U. S. S. Idaho, of the United States Navy.

"As for yourself," continued Madame Haberdinger, "I see you directing an orchestra. You also play your saxophone on radio programs. Ah, the vision fades."

I took leave of the fortune teller. As I proceeded upon my way, I wondered if all that had been said would come true. I hoped so, for then I knew that my classmates would all be happy.

Organizations

Athenian Literary Society

At the first meeting of the Athenian Literary Society this year, the following officers were elected:

ROSS CROM ..... *President*
DONALD SPILKER ..... *Vice-President*
CATHERINE THORNTON ..... *Secretary*
THOMAS LAFARREE ..... *Treasurer*

The society was very large this year, thus there were many varied talents from which to organize very intersting programs.

The Athenians co-operated with the Phi Sigmas in giving the Christmas program. The two societies succeeded in giving a very delightful and appropriate program.

Mrs. Milburn and Mr. Huffman were sponsors. They have shown themselves very capable in this capacity.

Phi Sigma Literary Society

One bright and sunny day in September, the old and new members of the Phi Sigma Literary Society met to organize and elect officers to carry them through the year of '31. At this meeting the following officers were elected:

NORMA KAZMAIER ..... *President*
MARGARET TINNEY ..... *Vice-President*
VELMA SWARTZ ..... *Secretary*
JUNIOR RIGGLE ..... *Treasurer*
AVONELLE PYERS, ALFRED SNYDER ..... *Advisors*

The society feels that this has been a successful year, especially since we were able to put so many new members on the programs.

Our success, however, is due to a great extent to the helpfulness and aid of our sponsors. We take this means of expressing our thanks to Miss Forsythe and Mr. Barber for their loyal support of this society this year.

That's the spirit, Phi Sigs, keep it up.

Freshman Literary Society

On the day of the organization of the Literary Societies, a large group of Freshmen gathered together in the Senior Assembly to form a society of their own. They hoped to make the most of this opportunity to show the upper classmen that they weren't as "green" as they were thought to be.

Under the direction of their capable sponsors, Miss Rhoades and Mr. Scheld, they elected the following officers:

EVELYN HUTCHINSON ..... *President*
WENDELL RIGGLE ..... *Vice-President*
IVA LOU GASKELL ..... *Secretary*
CAROLYN WENZ ..... *Treasurer*

We are sure that this society has attained its goal. Their programs were events always eagerly looked forward to.

The Freshmen feel that the path ahead of them is brighter than the path just traveled, so watch them in the future years.

Good work, Freshmen.

Hi-Y Club

The Perrysburg Hi-Y Club was organized in 1926. Mr. Treece acted as the first sponsor and advisor and under his capable supervision the club has developed into a very successful organization.

The club is open to membership to boys of the Junior and Senior classes who have proven that they are worthy of membership in such an organization.

The Hi-Y stands for Clean Living, Clean Speech, Clean Athletics, Clean Scholarship, and tries to create, maintain and extend throughout the school and community, high standards of Christian character.

The officers elected for this year are:

DON SPILKER ..... *President*
JUNIOR RIGGLE ..... *Vice-President*
JAMES ANDERSON ..... *Secretary*
HOWARD HILLABRAND ..... *Treasurer*
JOHN BENCH ..... *Chaplain*
RONALD LUEBBEN ..... *Sergeant-at-Arms*

The Hi-Y Club is always ready to support the various activities that are connected with school life besides taking an active part in the Annaul Hi-Y Banquet, Older Boy's Conference, World Brotherhood and Council meetings. The club always sends delegates to Camp Nelson Dodd, the State Hi-Y training camp.

French Club

During the past few years we have not had a French Club. But this year, under Miss Forsythe, a French Club was organized. The following officers were elected:

MELVINA KUHLMAN ..... *President*
RONALD LUEBBEN ..... *Vice-President*
DALE SPILKER ..... *Secretary*
DON SPILKER ..... *Treasurer*
NORMA KAZMAIER, MARJORIE ACKLIN .. *News Reporters*
RUTH COEHRS, JUNIOR RIGGLE,
LIDA MAY SUTTER, FRANCES BYRNE,
RALPH MERICLE, BEN TURNER..... *Program Committee*

This club met the first Tuesday of every month at their regular class period.

A big feature in the program of this club was a play given in Convocation by the members of the club. The club feels that it has accomplished very much in its first year of organization and hopes to continue the good work in the following years.

Latin Club

The Latin Classes of 1930 and '31 under the sponsorship of Miss Forsythe reorganized the P. H. S. Latin Club of former years.

These students were called together on the morning of November 7, 1930 to elect the following officers:

WILDA WALKER ..... *President*
RITA SHIPLE ..... *Vice-President*
MARGARET THORNTON ..... *Secretary*
KATHERINE KALTENMARK ..... *Treasurer*
CAROLINE WENZ, ROBERT SPRENGEL ..... *Reporters*

A program committee was also elected consisting of the following members:

MARJORIE ACKLIN
MIRIAM SCHNEIDER
CHARLES SCHNEIDER
EVELYN HUTCHISON
PAUL MUNGER
JOHN HAYES

Among the names and mottos submitted for the club, "Vini, Vidi, Vici," was chosen for the combined motto and name.

We succeeded in selecting a pin bearing our emblem "V. V. V."

Our meetings consisted of programs made up of papers and talks on Roman life, customs, and other features such as Latin songs, games, and readings.

The aim of this club is to increase the student's knowledge of this subject and to arouse the interest of future language scholars.

Public Speaking Class

The Public Speaking Class of this year has only eleven members. As a result, each member has received much more personal attention and therefore has profited more by the course.

The members have all worked earnestly and have spent many hours on the two plays which their capable instructor, Mrs. Milburn, coached. Four of the members were on the debate teams. They were Ross Crom, Margaret Tinney, Margaret Goeke and Ruth Dewland.

The members of the class are as follows: Dorothy Jane Van Brimer, Ruth Dewland, Arline Decko, Margaret Goeke, Jessie Acklin, Margaret Tinney, Erma Kazmaier, Ella Mae Plummer, Vivian Schoenberger, Norma Kazmaier and Ross Crom.

It is required in order to receive your credit in this class, to make one public appearance. The members that were on the debate teams were not required to make an additional appearance.

The other members of the class gave talks and readings at the weekly chapel meetings.

All of the members wish to thank Mrs. Milburn for her interest shown in all of the activities of the class. Each one firmly believes that he or she has benefited in numerous ways by taking this course.

National Honor Society

Membership in the National Honor Society is one of the highest honors that our school can bestow upon a student. Perrysburg High School received its charter for membership in 1925. This society promotes scholarship, character, service and leadership among high school students.

There are at present, in our school, nine members. They are: Frances Byrne, Margaret Goeke, Ruth Coehrs, Frances Mandell, Ethel Baker, Fern Hufford, Barbara Sattler, Melvina Kuhlman and Ross Crom.

The students elected in 1925 were: Imogene Kazmaier, Gertrude Braun, Eunice Davis, Dorothy Sutter and Angeline Lownsbury.

The students elected in 1926 were: Howard Sattler, Frederick Leydorf, Bernice Snyder, and Frederick Driftmeyer.

The students elected in 1927 were: Dorothy Mandell, Marie Wellstead, Lela Nietz, and Elizabeth Lucas.

The students elected in 1928 were: Lucille Kazmaier, Eloise Luebben, Jessie Nietz, Marjorie Milligan, Elizabeth Thornton and Richard Kruse.

The students elected in 1929 were: Elsie Metzger, Gordon Chappell, Bernice Hower, Rozella Spoerl, Frieda Anderegg, George Haas and Charlotte Menke.

The students elected in 1930 were: Ruth Cocanour, Fern Schaller, June Shepherd, Harry Fenneberg, Joshua Lehman, Cyril Munger and Arden Snyder.

Contestants

Northwestern Eisteddfod

On April 17, 1931, the representatives of Fostoria, Bowling Green, Ada, Bluffton and Perrysburg met at Fostoria to compete in the Northwestern Ohio Eisteddfod.

This was Perrysburg's first year to have contestants in the Eisteddfod. Other years we have always entered the Wood County Contest. As competition has not been keen in the last few years Perrysburg withdrew and entered the Eisteddfod, where there is much more competition since the schools represented are larger.

By means of the elimination contest the students for the various events were chosen. They were the following:

DALE SPILKER, LILY WILLIAMS, LIDA MAY SUTTER and ARTHUR WILSON ..... *Mixed Quartet*
GLENN SIMMONS ..... *Violin Solo*
LILY WILLIAMS ..... *Soprano Solo*
ARTHUR WILSON ..... *Baritone Solo*
LIDA MAY SUTTER ..... *Alto Solo*
HAROLD DECKO ..... *Tenor Solo*
LIDA MAY SUTTER ..... *Piano Solo*
DOROTHY VAN BRIMER, LIDA MAY SUTTER ..... *Soprano-Alto Duet*
DALE SPILKER, DON SPILKER, HAROLD DECKO, ARTHUR WILSON ..... *Boys' Quartet*

Mixed Chorus, Girls' Chorus, Boys' Chorus

This being our first year we feel that we made a very good showing. The Mixed Quartet won first place and four second awards were given to us.

BOYS' QUARTET

Dale Spilker, First Tenor
Harold Decko, Second Tenor
Donald Spilker, Baritone
Arthur Wilson, Bass

BRASS QUARTET

Charles Schneider
Frances Byrne
William Drain
William Wellstead

MIXED QUARTET

Dale Spilker, Tenor
Lily Williams, Soprano
Lida May Sutter, Alto
Arthur Wilson, Bass

MIXED CHORUS

The Mixed Quartet, the String Ensemble, and the Brass Quartet are all new features of the music department this year. We feel that they have been successful and hope that they will continue in the years to come.

Both the Boys' Quartet and the Mixed Chorus were very good this year. The Mixed Chorus especially has made a great deal of progress.

All of the above mentioned groups appeared on the program which was given on April 15. The Mixed Chorus and the two quartets sang their contest number. The String Ensemble played "The Old Refrain." The Brass Quartet played "Kentucky Babe" and then closed the program appropriately by giving an unique rendition of "Now The Day Is Over."

STRING ENSEMBLE

Glen Simmons, First Violin; Wendell Riggle, Cello; Lida May Sutter, Piano; Ruby Farris, Second Violin; Wilda Walker, Bass Viol.

Orchestra

When school resumed in the fall of 1930, the P. H. S. orchestra was organized under the excellent direction of Mr. Gerber. Each member had resolved to do his part in maintaining the reputation they had won during the past years by their fine cooperation and work. The following officers were elected:

WILLIAM WELLSTEAD ..... *President*
WILLARD ROBISON ..... *Vice-President*
JUNIOR RIGGLE ..... *Secretary-Treasurer*

WILLIAM WELLSTEAD ..... *President*
THOMAS LAFARREE ..... *Vice-President*
JAMES ANDERSON ..... *Secretary-Treasurer*
DONALD SPILKER ..... *Librarian*

The boys have worked hard on several numbers. They are: "The Cossacks," by Stuart—VanNorman, "In The Wee Little Home I Love," by O'Hara, "Mosquitoes," by Bliss, and "My Thoughts Of You," by Davis. The contest number is "The Cossacks."

As new features this year, Mr. Gerber has introduced a Boy's Quartet, Mixed Quartet and both Tenor and Baritone Solos.

Girls' Glee Club

On the first Wednesday of school seventy-five girls assembled in the auditorium to organize the Glee Club for 1931. The members elected the following officers:

RUTH COEHRS ..... *President*
WILDA WALKER ..... *Vice-President*
FRANCES BYRNE ..... *Secretary-Treasurer*
CATHERINE THORNTON ..... *Librarian*

At the second meeting it was suggested that the club have pins. The members voted and the measure carried.

The girls worked hard on the numbers Mr. Gerber selected. They sang "Morning" by Speaks, "Night Song" by Clokey, "The Snow" by Elgar, "Silent Night" by Seymour, "Through the Dark the Dreamers Came" by Daniels, and "Russian Lullaby," a Russian folk song.

The Glee Club entered the Northwestern Eisteddfod at Fostoria this year instead of the county contests of preceeding years. The contest number was "A Cabin on the Bayou" by Brown. The organization sang on several occasions, one of which was a concert given for the public on April 15.

Girls' Athletic Association

The Girls' Athletic Association was organized on November 29th. The girls unanimously elected for their officers:

CATHERINE THORNTON ..... *President*
FERN HUFFORD ..... *Vice-President*
KATHERINE KALTENMARK ..... *Secretary*
VIRGINIA HAYES ..... *Treasurer*
MARGARET THORNTON ..... *Reporter*
IRENE INMAN ..... *Cheer Leader and Social Leader*

The aim of this association is to promote good sportsmanship among high school girls. Any girl receiving one thousand points will be entitled to a letter "P." Each girl was required to learn a sportsmanship code and abide by its measures. All of the girls took an active interest in the intramural basketball games and dancing which were the points of interest on this year's program.

We hope that this organization may continue to grow and become one of the permanent and outstanding groups of P. H. S.

Debate Team

This year we again entered the Debating League. After trying out the students who wished to enter the debate, the following teams were picked:

Affirmative:

MARGARET TINNEY
FRANCES MANDELI.
RUTH DEWLAND

Negative:

ROSS CROM
MARGARET GOEKE
FRANCES BYRNE

The first debate was held at Fremont on January 15, in which our negative team debated Fremont's affirmative. After a lively debate in which challenges and questions flew fast and furious, the judge gave his decision in favor of our team.

The affirmative team met Lake Township here, on January 20. Quite a large crowd attended. Dr. Kohl gave his decision in favor of the Lake team.

The negative team entertained the Gibsonburg team on January 23. Margaret Tinney served as alternate that evening. After a fairly peppy debate Mr. Carmichael judged in favor of our team.

Our affirmative received a forfeit from the Willard team.

The negative four journeyed to Carey, along with Mr. Huffman, Mr. Treece, and Mr. Riggle. Ruby Farris served as our alternate. The judge from Heidelberg gave the decision in favor of the Carey team.

First Semester Honor Roll

Athletics

COACH BACHMAN: This is Coach Bachman's first year at P. H. S., and he has surely proved his worth. The football season under his guidance showed much improvement over the previous year. Starting with an entirely green basketball squad he developed from a weak, inexperienced group of players a team to be feared by all those with whom they came in contact. Coach Bachman stands for fair play, hard work and much spirit. We all desire his presence at P. H. S. next year and believe that by his efforts athletics at Perrysburg will develop in a big way.

✦ ✦ ✦

DON CANFIELD, Assistant Coach: Doc is an assistant who knows his stuff. What Bachman lacked Doc supplied. He had the good will and support of every member of the team and his special mission was to put the old fight in the game. He is a real fellow.

✦ ✦ ✦

MR. TREECE, Faculty Manager: Here is a man we will not say too much about for we could never do him justice. His character, personality and his interest in P. H S. athletics are keenly felt by everyone.

✦ ✦ ✦

HOWARD HILLABRAND: Howard played real football this year. His punting and fine running were great to see. Howard was captain of this year's football team and he proved worthy of this position. He will be missed next year.

JUNIOR RIGGLE: Junior is built rather close to the sidewalk but is a real threat to all opponents. He played fine ball this year and we are sorry to see him go.

✦ ✦ ✦

BILL WELLSTEAD: Bill played end this year and played a whale of a game. Bill was in there fighting every minute. He played practically every quarter of the season. No broken bones either. Good for Bill. Sorry to see you go.

✦ ✦ ✦

JOHN BENCH: When Johnny hit the opposition they thought it was a tornado. Johnny is plenty big and that place he leaves by graduation is going to be hard to fill.

✦ ✦ ✦

GILBERT GARBER: Another one of our little fellows whose presence was keenly felt by the opposition this year. Garber and Bench played side by side and the holes they made you could drive a truck through Sorry to see you go Dub.

RONALD LUEBBEN: Ronny played fine ball all year. A wildcat on the defense. He played exceptionally well at Maumee. Ronny wore a nose guard in this game and first scared them to death and then proceeded to tackle them.

✦ ✦ ✦

KENNETH RADER: Ken played full and halfback this year. This was his first year of varsity football and he played a fine game. It's too bad we have to lose you Ken. Good luck.

✦ ✦ ✦

WALTER ZIEMAN: Walt is a hard man to get by. He can put fight in the whole team and he really did it. Just watch this boy next year. They'll need an ambulance to pick 'em up as Walt hits them.

✦ ✦ ✦

JAMES INMAN: Jim was out with injuries quite a bit of the time. But when he did get in it was tough on the opposition. Jim is a human battering ram. We can expect plenty from Jim next year.

BEN TURNER: This was Ben's first year on the varsity and he played fine ball. A little more experience is all he needs. Let's go next year Ben.

✦ ✦ ✦

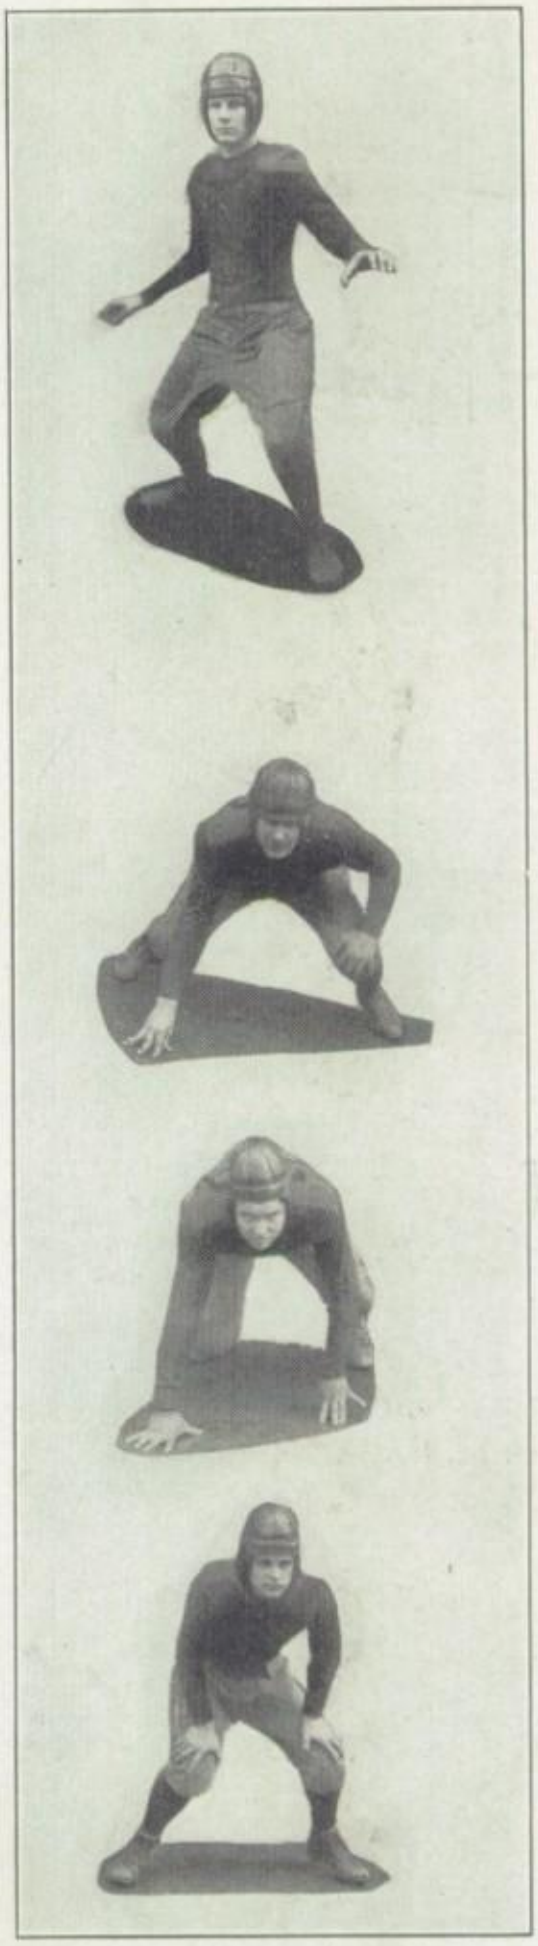
FRED BOETSCH: Ducky was a great player on defense. This was Ducky's first year on the varsity and he really played some fine ball. Come on Ducky, we'll be with you next year.

✦ ✦ ✦

LEONARD DEBBE: A little fellow who in the last few games woke up and really fought. We can expect much from him in the next two years.

✦ ✦ ✦

RALPH MERICLE: Merry played his first year of varsity ball and he played a fine game. He was in quite a few games and played nearly all of the Rossford game. Merry will be a real threat next year.



DON SNYDER: Don is just a Freshman this year but in the absence of Inman played a fine game at fullback. We can expect plenty from Don in the next three years. Come on Don. We need you.

Football Review

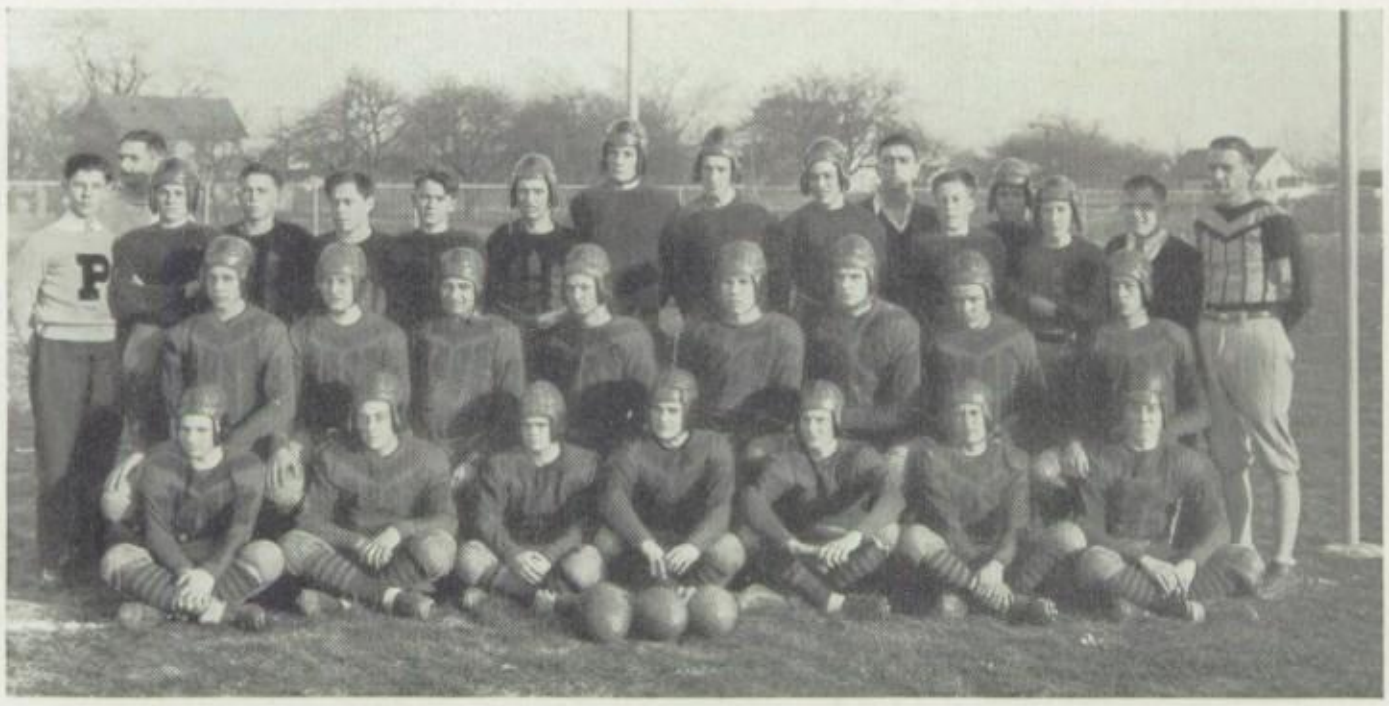
MONTPELIER: This was our first game. Montpelier outweighed our fellows by ten to fifteen pounds to the man. They were in scoring position several times, but they lacked the punch to put the ball over. Late in the second and again in the fourth quarter, they managed to score and the game ended, Montpelier 13, P. H. S. 0.

FOSTORIA: Here the boys played the best ball of the season. Although Fostoria outweighed our fellows and had many more substitutes, P. H. S. outplayed and outfought them in three quarters of the game. A pass intercepted by Bill Wellstead resulted in a touchdown for P. H. S. In the last quarter, after a fumble, Fostoria was able to tie the count. Fostoria 6, P. H. S. 6.

MONCLOVA: The boys had decided that this would be an easy game, but they soon found out that they were up against a determined team. Although P. H. S. won, they did not play nearly so fine a game as they had at Fostoria. Monclova 0, P. H. S. 38.

WHITMER: Here the boys met a strong team and were defeated. It was an altogether discouraging day for P. H. S. The score was Whitmer 13, P. H. S. 0.

NORTH BALTIMORE: This was another game that our fellows had to fight hard to win. P. H. S. outplayed their opponents throughout the game, but lacked the punch to put the ball over. The North Baltimore boys fought hard but were unable to save off a defeat of 7 to 0. North Baltimore 0, P. H. S. 7.



Football Squad

Football Review

SWANTON: Our fellows played fine defensive ball until the last quarter. Our offense refused to work throughout the game. In this game Hildy was out with injuries. In the closing minutes of the game, Swanton intercepted a pass and turned their defeat into victory. Swanton 6, P. H. S. 0.

RISINGSUN: In this game our fellows had a great deal of over-confidence and played fine defensive ball but the offense again refused to work. We had several chances to score but lacked the punch. Risingsun 0, P. H. S. 14.

MAUMEE: This was the big game of the year and if you were there both during and after the game you would realize this game was hard fought all the way through. P. H. S. outfought the Maumee fellows the first half and scored a touchdown and extra point and in the second half the Maumee fellows dominated and scored a touchdown but not the extra point. Maumee 6, P. H. S. 7.

GIBSONBURG: Little football at all was shown by our fellows in this game and in the closing minutes of the game Gibsonburg pushed over for a touchdown. Gibsonburg 6, P. H. S. 0.

ROSSFORD: We meet our old rivals on Thanksgiving Day. This year we completely outplayed them on defensive work. They were superior on the passing attack and managed to gain two points on a safety and after a fumble behind the goal line recovered for a touchdown. Rossford 8, P. H. S. 0.

JIMMIE ANDERSON: Jim is a Senior this year and the squad will surely miss him next year. Jim played forward and was in nearly every quarter of the season. Too bad he has to go.

◆ ◆ ◆

BOB CALDWELL: This was Bob's first year for varsity ball and he proved to be a valuable man on the squad. Bob's a Senior and we're sorry to see him go.

◆ ◆ ◆

DON SNYDER: Don's just a Freshman this year and has three more years to do his stuff. Don started on the second squad, but was changed to the first team and played a fine brand of ball the remaining part of the season. Come on Don, let's go.

◆ ◆ ◆

BEN TURNER: Ben's a Junior this year and has one more year to go. Ben played good ball this year and we can expect much from him in his last year. Let's go Benny.

JIM INMAN: Jim's a Junior this year and we expect a great deal from him when he is a Senior. Jim can be depended upon. He played wonderful ball all season. Just wait and see the climax of Jim's athletic career.

◆ ◆ ◆

BUD ROBISON: This year was Bud's first on the varsity and he developed into a fine player and could be depended upon to sink a majority of his shots. Bud's a Sophomore and has two more years to play. Watch this boy on the floor next year.

◆ ◆ ◆

ART WILSON: Art is a Junior this year and has made some fine plays. He has one more year and we can expect more from him next season. Good luck, Art.

Basketball Review

NORTH BALTIMORE: This was the first game of the season and as the squad was entirely new the playing and floor work of the team was not so good. The game was rather close and hard fought. North Baltimore with a last quarter spurt came out on the long end of a 15 to 11 score.

SWANTON: Our fellows journeyed to Swanton determined to make up for the defeat in football but showed the poorest form of the season. They were defeated by a margin of 28 and 9. Our second team defeated their second team.

WHITMER: In this game our squad was up against the Lucas County Champs of last year and put up a stubborn fight, but they proved too strong and we went home in defeat. Whitmer 38, P. H. S. 11.

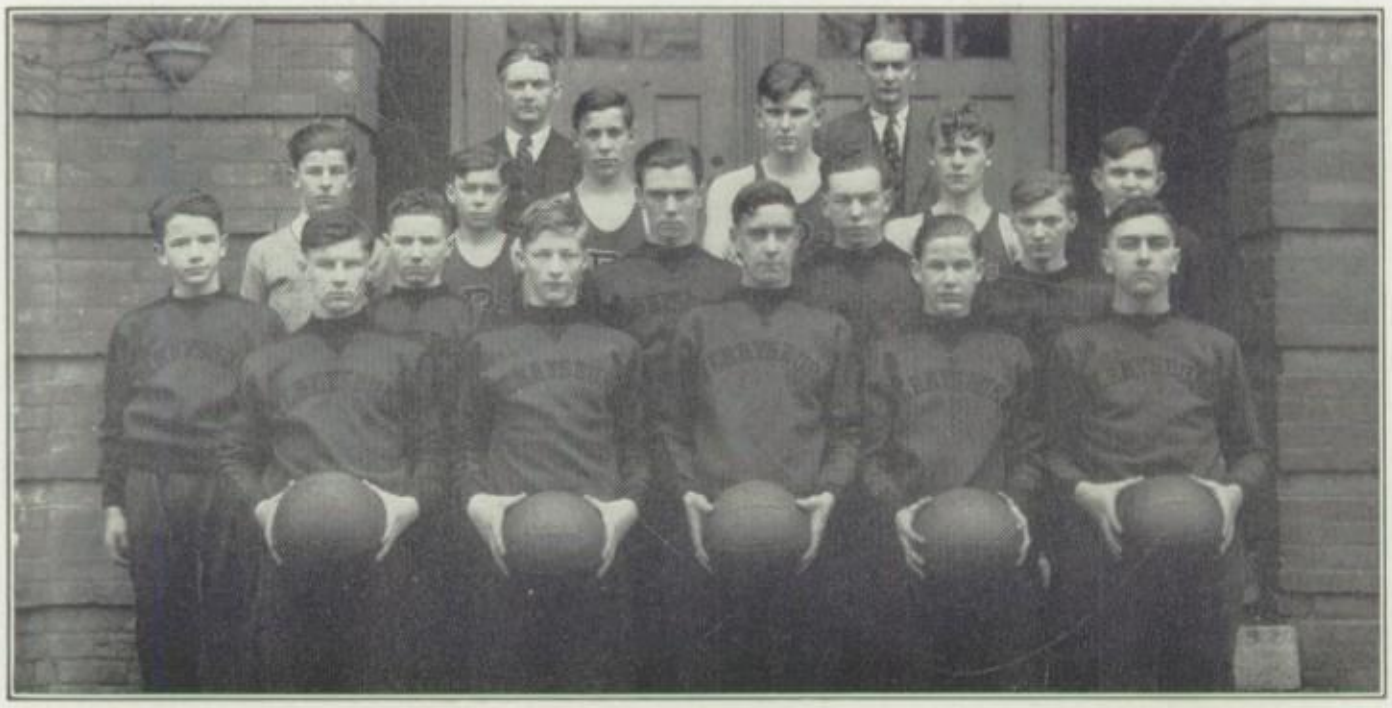
ROSSFORD: This time we were up against our old foe but soon after the game began Rossford piled up a lead and maintained it throughout the game. The last half was well played but that didn't help the score much. Final score, 39-16.

NORTH BALTIMORE: North Baltimore found they were up against a much stronger team but a poor start on Perrysburg's part gave top score to our opponents. Score 27-16.

WHITMER: Whitmer came to Perrysburg and because of the small floor and an improved P H. S. team they took the game after a hard fight. Whitmer won 19-14.

ROSSFORD: We again journeyed to Rossford and once there P. H. S. surprised her rivals and with a last minute rally came near to defeating them. There was a dispute in the scores and we are not certain who won. But the official score was Rossford 22, P. H. S. 21.

MAUMEE: This time the tide turned and P. H. S. came out the winner. Our traditional foe, Maumee, was defeated in both football and basketball for the first time in a number of years. Score 24-21.



Basketball Squad

Tournament

According to the scores of previous games P. H. S. entered the sectional tournament as a weak team. Sentiment soon changed when P. H. S. whipped the strong Tontogany team. Our next game was with Grand Rapids. Our boys played fine ball in this game. We did not play again until we met Rossford for the championship. Rossford took a big lead in the first quarter and maintained it throughout the first half. In the second half both teams battled on even terms, each scoring seven points but it was too late and P. H. S. was defeated. Perrysburg came out second in this tournament.

The next week-end we journeyed to Bowling Green and in the first round defeated Milton Center. That night we again met Rossford and gave them a real battle. P. H. S. played fine ball in this game. In the consolation game we were defeated by North Baltimore by two points. A last minute rally by North Baltimore turned the tide in their favor.

History of the New High School

Continued from page 8

Aside from the rooms just mentioned there are six class rooms on the third floor. This will be one of the busy floors of the building.

Up from the third floor a stairs leads to the "tower room." This is a beautiful room with long windows on three sides. This room will make very desirable quarters for Mechanical Drawing, Art, and Student Activities.

The Auditorium:

The auditorium is without a doubt one of the most beautiful in this part of the state. It will seat over eight hundred people. The wide and deep stage will accommodate over one hundred fifty people in Glee Club activity at a time. The stage is 22 feet deep with a proscenium opening of thirty-four feet.

The stage is equipped with a heavy velour front curtain operating on a noiseless track. Back of the front curtain is a velour stage curtain including a picture screen. For interior scenes a neutral colored cyclorama with French doors and windows will constitute the setting. For exterior scenes a beautiful wood drop for the back curtain together with suitable wings and flippers will furnish the setting.

Many colored flood lights are installed for lighting effects.

The windows are draped with velour similar to the material of the front curtain.

A double projection picture booth is installed at the back of the balcony.

The lighting fixtures in the auditorium are of the massive Gothic Lantern Type.

The master hand of the architect is displayed in the beauty of the auditorium.

The Gymnasium and Shower Rooms:

This unit of the building seems to be the one in which the students are most interested. The gym is located on the ground floor and has a playing surface of 58 feet by 74 feet. Next to the gym floor are the boys' and girls' shower and locker rooms. This makes an ideal arrangement for physical education work. Each shower room will be equipped with 200 box lockers for gym clothes and 50 double tier lockers for street clothes. This will accommodate large gym classes.

The boys' shower room contains eight shower heads.

The girls' shower room has five shower heads. To each shower there are two private booths attached.

Above the shower rooms is a large gym balcony which will accommodate about 450 spectators for the Athletic events.

On the lower floor about 300 more people can be seated.

The basketball playing floor will be 42′ x 70′ with a 2 foot safety zone clear around the court.

The gym is very well lighted by windows on three sides.

Special Equipment:

A master program clock in the main office will operate all exchange bells.

A private telephone system and switch board will permit the principal and superintendent to call any teacher in the building and in turn permit any teacher to call the office.

A collapsible iron gate in each corridor will permit the use of the gymnasium or auditorium without access to the school room unit of the building.

Nearly 400 lockers 12" x 12" x 60" are recessed in the walls of the three corridors for use by the students.

The heating system is the finest of its kind, being the Buckeye DeLuxe Heatovent 900 series. This is a low pressure steam system. The ventilating system is of the unit type.

This brief description does not begin to do justice to this beautiful building.

Everyone can well be proud of the new building, which is dedicated to the education of the youth of the Perrysburg School District.

The Board of Education, the Architects, the Contractors and the Patrons of the School District are to be congratulated upon their fine accomplishment—the erection of the new High School Building in Perrysburg.
